Instructions to Vendor:

Unless stated differently, this Purchase Order (PO) is made and subject to the ABB General Terms and Conditions for the Purchase of Goods and/or Services (2019-1 United States of America), which are made available to Supplier under <http://new.abb.com/about/supplying/conditions-of-purchase> "Supplying to ABB" >Local Versions>United States of America (EN). The ABB GTC or the Contract, as applicable, are hereby incorporated into the contractual relationship between Customer and Supplier. No other terms shall apply. By supplying as ordered under this PO, Supplier consents with the ABB GTC or the Contract, as applicable.

Please visit our "ABB Supplier Inquiry Portal" at <http://www.abb.us/supplierinquiries> regarding minimum vendor invoice requirements and other useful vendor related information and tools.

Packing Slip: Must contain complete P.O. Number, P.O. Line Number and ABB Part Number(s).

Invoice: Must contain complete P.O. Number, P.O. Line Number(s), ABB Part Numbers(s) and ABB Bill to PO Box Number.

Instructions for regular mail or emailing invoices:

1. Emailed invoices must be submitted in either .pdf or .tiff file format. ABB Bill-To Email Address is usabb.apinvoices@recall.com.
2. Each email attachment must contain only one invoice along with supporting documentation for that invoice. (Each invoice and all the associated supported documentation must be attached as one complete file. Do not submit invoices and supporting documents as separate files.)
3. Multiple attachments (Invoices) can be sent in a single email.

Purchase Order

Purchase Order: **4502727559** Version: 0

4. Invoices: Must be sent to the ABB Bill-To Email Address and must contain the ABB Bill-To PO Box Number in the subject line of the email.
5. Statement or other correspondence: Must be sent by STANDARD MAIL to the ABB Bill-To P.O. Box Address. Do not send any inquiries or statements to the ABB Bill-To Email Address.
6. Any invoices that do not meet the above criteria will be rejected.
