## **AC Recondition As Found**

**Baldor Warranty Division** 

685 Mid America Blvd Hot Springs, AR 71913

Location:

AC Recondition - Rev. 2

Serial Number: Z2112140442

Description: 20HP BALDOR 1800RPM 256TC

| Hi-Speed Job Number: | 100112              |
|----------------------|---------------------|
| Manufacturer:        | Baldor              |
| Product Number:      | CEM2334T            |
| Spec/ID #:           | 09C102T459G1        |
| Serial Number:       | Z2112140442         |
| HP/kW:               | 20 (HP)             |
| RPM:                 | 1770 (RPM)          |
| Frame:               | 256TC               |
| Voltage:             | 230 / 460           |
| Current:             | 48/24               |
| Phase:               | Three               |
| Hz:                  | 60 (Hz)             |
| Service Factor:      | 1.15                |
| Enclosure:           | TEFC                |
| J-box Included:      | Complete            |
| Coupling/Sheave:     | None                |
| Bearing RTDs:        | No                  |
| Stator RTDs:         | No                  |
| Repair Stage:        | Teardown Inspection |
| Heaters:             | No                  |
| Winding Type :       | Random Wound        |
| Bearing Type:        | Rolling Element     |

Priorities Found: 2 - Good
