Hi-Speed shall not be liable for any errors or omissions, or any losses, injury or damages arising from the use of such information, reports, opinions and analysis by the Customer.

8. Services Performed

P8

Upon inspection of the cooling tower we found that the coupling was worn out. Customer was able to locate a new coupling. We removed the old one. We reinstalled the new coupling and laser aligned the motor to the gearbox. We had to blow elongated holes to move the motor over also.

9. Service Technician Recommendations

Approval Signatures
