SPOTLIGHT EMPLOYEE

SETH BLANTON

Position/Title: Inside Sales Engineer

How long have you been a Hi-Speed Employee: 2 months

Where were you born: Memphis Tn

What is your favorite past-time: hiking/camping

What is fun fact about you others may not know: One time on a white-water rafting trip the two guides that kept telling us not to fall into the water both fell in at the same time. This left me and the others with me in a raft going down the river without guides. Thankfully we were able to pull them back in after a few tense minutes. At the time it was nerve wracking but looking back, it's a great memory my friends and I love to think back on.

Tell us a little about your family: I have an older sister named Jessica and a younger brother named Drew. My parents Rick and Lori have been married for almost 31 years. I have a fiancée named Amanda that Lord willing I'll be marrying in December.
