## NEWS

### Don Alexander Retirement

We are very thankful to Don for his many years of service and wish him and Janet the very best in retirement!!!

### Breakroom Update

PDMA Seminar: Hi-Speed and PDMA produced a joint seminar last month. Over 25 customers & prospects attended. Multiple leads were received from this seminar, and we hope to utilize our facilities to conduct additional seminars on various topics in the future.

### Reminder for Fire Protection Prevention

- Avoid fire
- Fire needs 3 components: fuel, oxygen and heat (aka...The fire triangle)
- Fire extinguishers-Most common is ABC and comes in different sizes. ABC represents the type of fire it can extinguish.
- Fire extinguishers are OSHA required with annual inspections and monthly visual inspections.
- Fire extinguisher information: P.A.S.S. : Point, Aim, Squeeze and Sweep. Remember to also call 911.
